

BACKGROUND INQUIRY AUTHORIZATION AND RELEASE  
FOR  
PROSPECTIVE EMPLOYEES AND HOST HOME PROVIDERS

*Support, Incorporated*

To help ensure candidates meet the criteria to become a Contract Host Home Provider or Employee with Support, Inc. we will make use of certain routine inquiries as to your past employment, character, and other qualifications. Such inquiries may include employment/personal references or others familiar with your qualifications, verification of education degrees or certification, criminal background investigations or the use of other public records.

*As an applicant to become a Host Home Provider or employee, I authorize any/all former employers, persons, firms and corporations, or government agencies to answer any and all questions and to release or provide any information within their knowledge or records to Support, Incorporated and/or its representative for the purpose of verifying my qualifications.*

*I agree to hold any or all of the above blameless and free of any liability for releasing any truthful information on a good faith basis, without malice, that is within their knowledge or records.*

*All information provided by me in support of my application to become a contract Host Home Provider or employee is true and correct to the best of my knowledge.*

*I understand that Support, Inc. has a system for periodic criminal background checks and MVR checks to update personnel files. This will assure that in the event that staff or providers do not self report, the organization is able to screen intermittently and continue employment based on the pre-hire conditions.*
