

ASHLEY

Before coming to Support Inc. in July of 2013, Ashley's Behavioral experiences and education have been in memory care settings, school settings, bereavement centers and hospice. Ashley received her Bachelor's degree at Colorado State University in 2008 and Master's Degree in Counseling at Regis University in

Denver, Colorado in 2012. She spent her first year at Support, Inc. working in our day program as a Community Support Specialist. She joined the Behavior team in June 2014. Ashley provides consultation, counseling, crisis intervention and positive behavior support. Ashley is also certified as a safety care trainer for new staff and providers. Her favorite part about working at Support, Inc. is being on a team with very talented professionals.

COLBY

Colby Rogers is our Behavioral Services Director with over 12 years of professional experience working with mental health diagnoses, behavioral health care, trauma and family systems counseling. Having relocated from Tennessee to Colorado in 2009 in order to pursue his doctorate, Colby has worked with a variety

of populations in various settings including acute psychiatric hospitalization, case management, residential treatment centers, correctional facilities, drug and alcohol treatment centers and in private practice with families and individual therapy. Colby states that his overall goal is to assist individuals to become a partner in the development of their treatment strategy, which will lead to an overall better quality of life. He is currently finishing his dissertation which discusses best practices related to the healthy integration of individuals with pervasive mental illness into a community. It is Colby's belief that each individual has untapped potential when provided appropriate support and coaching.

HANNAH

Hannah joined the Support, Inc. team in May of 2013. Prior to that, she received her Master's Degree in Cognitive-Behavioral Therapy from Assumption College in Massachusetts, where she completed a counseling internship for children and adolescents with developmental disabilities and psychological distress. While earning her degree, Hannah also worked at an emergency psychiatric facility and performed crisis supports and clinical assessments for

unstable children and adults. During her undergraduate studies at Clark University, Hannah was employed as a direct care staff at the Devereux Foundation of Massachusetts for at risk female youth, where she assisted with groups and interventions related to Dialectical-Behavior Therapy (DBT). Since being employed as a Behavior Coordinator at Support, Inc., Hannah has had the wonderful opportunity of exercising the tools and interventions previously mentioned in an effective and therapeutic manner. Hannah wishes to continue this work and theory with her current caseload and new clients, no matter what the challenges may be.

TED

Ted has worked with Support, Inc. for over 20 years as a Behaviorist. He has a Master's Degree in Applied Positive Psychology from the University of Pennsylvania and has a tremendous amount of expertise in the field of Developmental Disabilities. Ted is a Certified Safety Care Master trainer, and has received numerous trainings in Safety Care, Therapeutic Crisis Intervention (TCI), Crisis Prevention Intervention (CPI) crisis

management techniques and Basic Behavior Intervention. Ted also has training in comprehensive lifestyle and person-centered planning models. Ted's behavioral philosophy includes shifting focus from the problematic behavior to the context in which the problematic behavior occurs, communication-based interventions and the importance of understanding the behavior's message. Ted trains Support, Inc. staff in behavioral supports and practices. Ted regularly writes and oversees Safety Control Procedures, Restrictive Procedures, Rights Restrictions and Rights Suspensions. He provides consultation and counseling, consistently practicing proactive, positive behavior supports rooted in applied behavior analysis science in de-escalating crisis situations.
